Homestead Grays Seek Seventh Straight Title

Aug. 28 When the Newark Eagles meet the champion Homestead Grays in a doubleheader at Ebbets Field Sunday, Sept. 6, the result of the games will have a vital bearing on the Negro baseball championship. At present the Eagles are in third place in the National Negro League, with the Grays out in front of the parade. The Grays are the Yankees of the colored loop and are seeking their seventh straight title.

If they are going to capture the championship, the Eagles must find a way to stop Josh Gibson, the Babe Ruth of his race. Gibson averages 45 homers a season and has a lifetime mark of .349.
